**INFORMED CONSENT TO
CHIROPRACTIC TREATMENT**

I hereby request and consent to the performance of chiropractic adjustments and any other chiropractic procedures, including examination tests, diagnostic x-ray(s), and physical therapy techniques on me (or on the patient named below for which I am legally responsible) which are recommended by the doctor of chiropractic named below and/or other licensed doctors of chiropractic who now or in the future render treatment to me while employed by, working for or associated with, or serving as back-up for the doctor or chiropractor named below.

I understand that, as with any health care procedure, there are certain complications which may arise during a chiropractic adjustment. Those complications include but are not limited to: fractures, disc injuries, dislocations, muscle strain, Horner's Syndrome, diaphragmatic paralysis, cervical myelopathy and costovertebral sprains and separations. Some types of manipulations of the neck have been associated with injuries to the arteries in the neck leading to or contributing to serious complications including stroke. I do not expect the doctor to be able to anticipate all risks and complications and I wish to rely on the doctor to exercise judgment during the course of the procedure(s) which the doctor feels at the time, based upon the facts, and are in my best interest.

I have had an opportunity to discuss with the doctor named below and/or with office personnel the nature, purpose and risks of chiropractic adjustments and other recommended procedures and have had my questions answered to my satisfaction. I understand that the results are not guaranteed.

I have read or have had read to me the above explanation of the chiropractic adjustment and related treatment. By signing below I state that I have weighed the risks involved in undergoing treatment and have myself, decided that it is in my best interest to undergo the chiropractic treatment recommended. Having been informed of the risks, I hereby give my consent to that treatment. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.

Explanation of Payment

I have been injured. I do not have health insurance or I do not want my health insurance company to pay for my bills from this office. I want a combination of MedPay and the At Fault Insurance company to pay my bills. **Please complete the following information for your automobile insurance as well as the at-fault automobile insurance company.**

- **MedPay:** MedPay (Medical Payments) is coverage that you have paid for through your own auto insurance through your policy. It covers medical bills up to your coverage limit for you, your family, and others who were in the vehicle with you when the accident occurred, regardless of who is at fault. This is the preferred method of payment and is guaranteed not to raise your insurance premiums. In order for your MedPay to pay for your claims, you must file a claim with your auto insurance company. They may pay your claims partially or in full until your limit is met between all of your doctors that you have seen under your case, depending on what they allow. We will bill your MedPay as the primary insurance company.

They may pay the remaining portion of your medical bills related to the accident, and they may wait until you have been released from our office to begin the settlement process.

I understand that my automobile insurer, or an insurer representing someone I believe to be at fault for causing my injuries, or that person's attorney, or an attorney representing me in a claim for my injuries, may request reports, copies of records, may require a physician from this clinic to provide deposition testimony in court, or other information. I understand and agree that I am financially responsible to this clinic to pay for Clinic's costs for these items; and that the clinic may request payment in advance for some or all of these items, even in this Clinic's Assignment states otherwise. I understand and agree that all of my records, including x-rays, are permanent records of this clinic.
